Spherical Packing Elements	Equipment information	13 5/8" 3K
	Part number	XWSY10005（PN: 150576）
	Description	Spherical Packing Element 13 5/8" 3K Standard Service API Temperature Class: BGD
	Performance level	API 16A PR2
	Equipment rated working pressure	3000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
	Elastomer type	NBR
	Weight	233KG
	Size	ID365mm×OD810mm×H368mm
	Seal kit	Available
