Spherical Packing Elements	Equipment information	7 1/16" 10K
	Part number	XWSY3699 (PN: 150987)
	Description	Spherical Packing Element 7 1/16"10K Standard Service API Temperature Class: BGD
	Performance level	API 16A PR2
	Equipment rated working pressure	10000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
	Elastomer type	NBR
	Weight	125KG
	Size	ID237mm×OD578mm×H275mm
	Seal kit	Available
