## Technical Data Sheet

Spherical Packing Elements

| | |
|---|---|
| Equipment information | 7 1/16" 3K |
| Part number | XWSY1206（PN: 150847） |
| Description | Spherical Packing Element 7 1/16" 3K<br>Standard Service<br>API Temperature Class: BGD |
| Performance level | API 16A PR2 |
| Equipment rated working pressure | 3000 psi |
| Temperature range | Low temperature -18℃(0℉)<br>Continuous operating temperature: other<br>Extreme high temperature 121℃(250℉) |
| Elastomer type | NBR |
| Weight | 55KG |
| Size | ID190mm×OD478mm×H212mm |
| Seal kit | Available |
