Technical Data Sheet

Type DL Annular Packer

Equipment information	13 5/8" 10K
Part number	XWHY0275/0276 (644856-07-00-01)
Description	Annular BOP Packer Model DL, 13 5/8" 10K Standard Service API Temperature Class: EGD
Performance level	API 16A PR2
Equipment rated working pressure	10000 psi
Temperature range	Low temperature -1℃(30℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
Elastomer type	NBR / HNBR
Weight	340 kg
Size	OD624mm×ID352mm×H327mm / OD1026mm×ID616mm×H300mm
Seal kit	Available
