Spherical Packing Elements	Equipment information	9" 3K
	Part number	XWSY2176（PN: 150996）
	Description	Spherical Packing Element 9" 3K Standard Service API Temperature Class: BGD
	Performance level	API 16A PR2
	Equipment rated working pressure	3000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
	Elastomer type	NBR
	Weight	116KG
	Size	ID242mm×OD616mm×H290mm
	Seal kit	Available
