Spherical Packing Elements	Equipment information	13 5/8" 10K
	Part number	XWSY1488 (PN: 152693)
	Description	Spherical Packing Element 13 5/8" 10K Standard Service API Temperature Class: BGD
	Performance level	API 16A PR2
	Equipment rated working pressure	10000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
	Elastomer type	NBR
	Weight	286KG
	Size	ID365mm×OD836mm×H375mm
	Seal kit	Available
