Spherical Packing Elements	Equipment information	18 3/4" 5K
	Part number	XWHY0051 (PN: 151361)
	Description	Spherical Packing Element 18 3/4" 5K Standard Service API Temperature Class: BGC
	Performance level	API 16A PR2
	Equipment rated working pressure	5000psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 104℃(220℉)
	Elastomer type	NBR
	Weight	527KG
	Size	ID502mm×OD1030mm×H460mm
	Seal kit	Available
