Spherical Packing Elements	Equipment information	21 1/4" 2K
	Part number	XWSY2598 (PN: 150799)
	Description	Spherical Packing Element 21 1/4" 2K Standard Service API Temperature Class: BGC
	Performance level	API 16A PR2
	Equipment rated working pressure	2000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 104℃(220℉)
	Elastomer type	NBR
	Weight	375KG
	Size	ID545mm×OD982mm×H400mm
	Seal kit	Available
