Spherical Packing Elements	Equipment information	21 1/4" 5K
	Part number	XWSY3369（PN: 150853）
	Description	Spherical Packing Element 21 1/4" 5K Standard Service API Temperature Class: BGC
	Performance level	API 16A PR2
	Equipment rated working pressure	5000 psi
	Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 104℃(220℉)
	Elastomer type	NBR
	Weight	655KG
	Size	ID560mm×OD1104mm×H502mm
	Seal kit	Available
