

Equipment information	Type GK 9'' 5K
Part number	XWSY2094(33506/1003277-02)
Description	Annular BOP Packing Element Type GK, 9'' 5K Standard Service API Temperature Class: BGD
Performance level	API 16A PR2
Equipment rated working pressure	5000 psi
Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
Elastomer type	NBR
Weight	115KG
Size	ID240mm×OD582mm×H293mm
Seal kit	Available
