

Equipment info.	Type GK 11'' 5K
Part number	XWSY3701 (1003260-02)
Description	Annular BOP packing element Model GK, 11'' 5K Standard service API Temperature Class BGD
Performance level	API 16A PR2
Equipment rated working pressure	5000 psi(35MPa)
Temperature range	Low temperature: -18℃(0℉) Continuous operating temperature: other Extreme high temperature:121℃(250℉)
Elastomer type	NBR
Weight	136KG
Size	ID289*OD629*H304 mm
Seal kit	Available
