Technical Data Sheet

Type GX Annular Packing Element

Equipment information	Type GX 11'' 10K
Part number	XWSY1906(1010026-02)
Description	Annular BOP Packing Element Type GX, 11'' 10K Standard Service API Temperature Class: BGD
Performance level	API 16A PR2
Equipment rated working pressure	10000 psi
Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
Elastomer type	NBR
Weight	232KG
Size	ID302mm×OD778mm×H380mm
Seal kit	Available
