

Equipment information	Type GX 13 5/8" 10K
Part number	XWSY1600(1009175-02)
Description	Annular BOP Packing Element Type GX, 13 5/8" 10K Standard Service API Temperature Class:BGD
Performance level	API 16A PR2
Equipment rated working pressure	10000 psi
Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 121℃(250℉)
Elastomer type	NBR
Weight	267KG
Size	ID373mm×OD797mm×H408mm
Seal Kit	Available
