

Equipment information	Type GX 18 3/4'' 10K
Part number	XWHY0064(3127398/1008949)
Description	Annular BOP Packing Element Type GX, 18 3/4'' 10K Standard Service API Temperature Class: BGC
Performance level	API 16A PR2
Equipment rated working pressure	10000 psi
Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 104℃(220℉)
Elastomer type	NBR
Weight	644KG
Size	ID520mm×OD1129mm×H855mm
Seal kit	Available
