Technical Data Sheet

Type MSP Annular Packing Element

Equipment information	Type MSP 21 1/4'' 2K
Part number	XWSY3565(37375/1003273-02)
Description	Annular BOP Packing Element Type MSP, 21 1/4'' 2K Standard Service API Temperature Class: BGC
Performance level	API 16A PR2
Equipment rated working pressure	2000 psi
Temperature range	Low temperature -18℃(0℉) Continuous operating temperature: other Extreme high temperature 104℃(220℉)
Elastomer type	NBR
Weight	355KG
Size	ID566mm×OD1058mm×H302mm
Seal kit	Available
